

Charitable Tithing Program

The *Charitable Tithing Program* offered by **TributeDirect™** allows clergy to help both families and the organization that they represent.

How the Program Works:

- An authorized representative from the clergy organization completes a Clergy Enrollment form and returns it to **TributeDirect™**. The organization is then added to **TributeDirect's™** preferred clergy organizations.
- When assisting individuals and families with end-of-life decisions, the clergy may refer them to **TributeDirect™**, where they will receive savings of up to 40% - 70% off on superior funeral products when compared to traditional funeral home and cemetery pricing.
- If a purchase is made by the referral, **TributeDirect™** will tithe back to the referring organization five percent (5%) of the purchase price. (Purchase price shall exclude any applicable taxes, shipping or handling fees and if applicable, shall be based on the advertised retail price less any additional customer discounts. Payments shall be in the form of a company check and can only be made payable to the non-profit, referring organization.)
- Or, if the organization waives the five percent (5%) tithe, **TributeDirect™** will offer the five percent (5%) to the referred customer.

NOTE: Certain other conditions may apply. Program may be changed and/or terminated without notice.
